

NX Technical Seminar 2011

with visit to the National Space Centre

Date

Wednesday
5th October
2011

Location

National
Space Centre,
Leicester

TEAM Engineering are very pleased to invite you to our 'NX Technical Seminar' at the National Space Centre, the UK's largest space visitor attraction. This one day event is the ideal setting to learn more about getting the most from your NX CAD, CAM, CAE and Teamcenter PLM solution. As an integral part of this event, we are offering you the fantastic opportunity to visit the attraction's exhibitions.

Who should attend?

Companies currently using NX or anyone wishing to understand the productivity gains of NX CAD, CAM, CAE and Teamcenter.
